### **CAREER OBJECTIVE**

To use my skill in the best possible way for achieving the organization's goals and strategies simply because goals and strategies drive a organizations success. Goals give an indication of where an organization is headed, while strategies indicate how the organization is going to get to its set goals and targets. Goals aligned with an organization's mission, vision, values and strategies are very key elements in achieving success in any organization, and this is what I desire to bring to this organization.
